

## CHALET GRACE

Perfection, discretion and sophistication are at the heart of everything we do  
our testimonials underpin our confidence

Chalet Grace is one of four astounding and exclusive chalets maintained and managed by Elysian Collection.

This chic and sumptuous Chalet is built to the highest standard, featuring floor to ceiling windows on all three levels, and a dramatic vaulted interior. South facing balconies capture the breathtaking scenic views of the Matterhorn and surrounding mountains.

Built on a south-facing hillside in the exclusive Petite Village area, two minutes by taxi from the Sunnegga Express lift and three minutes from the village centre, Chalet Grace already has a reputation as one of the most luxurious and spectacular chalets in Zermatt.

The raised dining room seats 14 people. The stylish and comfortable open-plan lounge features a French stone open fire-place and adjoining bar area, opening up to a large outside living space with loungers, tables and chairs. The uninterrupted views of Zermatt town below and the Matterhorn at the end of the valley are spectacular from the picture windows.

Zermatt itself offers both superb year round skiing and an array of adventurous and inspiring activities to please all.

This small, charming and picturesque alpine village boasts Europe's finest ski area. It shares 313 km of world-class piste with its neighbouring Italian village, Cervinia, and is famous for its large number of gourmet Mountain Restaurants, abundance of Après Ski and other leisure activities.

Zermatt's car-free cobbled streets, inviting chocolate shops and exclusive boutiques make it the resort of choice.
