

CHALET LES ANGES

Perfection, discretion and sophistication are at the heart of everything we do
our testimonials underpin our confidence

Chalet Les Anges is one of four astounding and exclusive chalets maintained and managed by Elysian Collection. Built in 2008, Les Anges was the first of the few privately owned luxurious chalets in Zermatt to start the Elysian Collection. Chalet Les Anges ("The Angels") is located in the exclusive Petit Village area of Zermatt.

This outstanding and elegantly composed chalet, designed by the renowned interior architect Magali de Tscherner, features reclaimed wood throughout and is spread over three spectacular floors. It is full of light with huge panoramic windows to take full advantage of the breathtaking views. Great care has been taken to create a warm and cosy ambiance utilising the expertise of leading international lighting consultants. Its modern contemporary style with the highest quality natural fabrics is counterbalanced by the symmetry of the furniture to enhance the feeling of warmth and serene luxury.

Les Anges sleeps fourteen guests in seven large en-suite bedrooms spread over two floors. Six bedrooms have undisturbed Matterhorn views. De Tscherner's design uses warm wood, clean lines, symmetry and contemporary colour to create welcoming, comfortable and cosy bedrooms.

Zermatt itself offers both superb year round skiing and an array of adventurous and inspiring activities to please all.

This small, charming and picturesque alpine village boasts Europe's finest ski area. It shares 313 km of world-class piste with its neighbouring Italian village, Cervinia, and is famous for its large number of gourmet Mountain Restaurants, abundance of Après Ski and other leisure activities.

Zermatt's car-free cobbled streets, inviting chocolate shops and exclusive boutiques make it the resort of choice.
