HOTEL CHALET “VOLNITSA”

Accomodation

About us

The Chalet Volnitsa Hotel is a complex of houses built from three-hundred-year-old cedars, surrounded by an unique local infrastructure.

The interior of the chalets was created according to a special design project. The authentic interior is complemented by ultra-modern technology, soft linen textiles and the rich aroma of centuries-old trees.

The hotel is located at the Anuy River, away from noisy tourist routes, which creates an atmosphere of privacy and deep connection with nature.

THE FARM

Our own farm, where we breed Anglo-Nubian goats, sheep, rabbits, chickens, quail and pheasants, provides the hotel with fresh farm produce, which we serve to our guests.

The restaurant's gastronomic pride is dishes made from local delicacies: Siberian fish, game and rare types of meat - bison, maral or elk.

Cheeses and honey from the home apiary complement freshly baked Borodino, bird cherry and wheat bread from their own bakery.

THE WINE THEATER

Our wine cellar has a specially selected collection of wines from different countries and regions.

You can make choice by yourself or ask a sommelier, who will turn your evening with friends into a real journey.

For starters, we offer a menu of homemade cheeses and sausages, including game from our own farms.

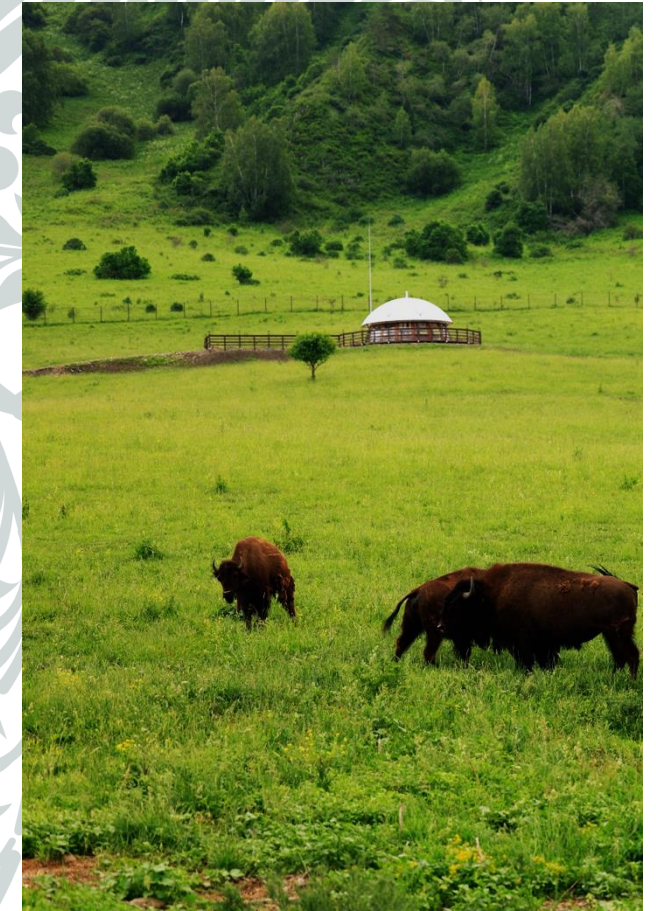

And if you like parties, you can continue the evening with friends right here - in the karaoke room.

THE BISONARY

The only bison farm for the preservation and restoration of the bison population in Siberia and the Far East. There are already more than 48 of them.

The program of the bisonary visit includes: acquaintance with unique representatives of the Ice Age fauna, a walk around the farm and tasting of local delicacies.

SPA Complex
