## 7132 Vals

A mountain village with 1,000 inhabitants, far removed from its hectic and ever-changing surroundings, with magnificent mountain scenery all around – welcome to Vals. Besides the world-famous mineral water and Vals quartzite, nature created something else of which the people of Vals can be proud: their hospitality. Take a walk through the village and be inspired by the warm and friendly nature of its people.

## Zumthor

*Stucco Lustro with a modern touch*

## Stucco lustro and Habotai silk

Stucco lustro is a plasterwork technique of the Italian Renaissance. Zumthor has used it to combine unique, refreshingly colourful rooms with hand-painted curtains made of Habotai silk.

## 7132 Gastronomy

Variety, with the sole intention of creating a sense of having made the right choice. Three unique restaurants offering unique cuisine. Plus a bar with live jazz, played on a Steinway grand piano.

7132

## 7132 Silver

Wild herbs, forest berries and mushrooms, hand-picked from the Vals region. Accompanied by products from selected, local suppliers. Combined with the best ingredients from around the world. Welcome to the kitchen of Head Chef Sven Wassmer. Here you will find a playful combination of what may at first seem rather surprising.

A journey of discovery awaits in the Silver, led by Sven Wassmer. Every mouthwatering experience is filled with unforgettable moments of finesse. Embellished with exquisite wines chosen by Head Sommelier Amanda Wassmer Bulgin.

7132

## 7132 Red

The Red turns culinary dreams into à la carte reality. Chef Ulf Bladt and his team transform classic dishes into revelations. Naturally, using only fresh ingredients.

7132

## 7132 Blue

The bar for a snack, afternoon tea, an apéritif or digestif. The place to celebrate the day or quietly bring it to a close.

7132

## DaPapà

Pizza, pasta and salumi – true Italian-style hospitality. Everyone feels well looked after by Cesare in such a relaxed atmosphere. Simply molto bene!

7132

## 7132 Thermal baths

Architect Peter Zumthor has created a masterpiece, built from 60,000 slabs of Vals quartzite. The mystical atmosphere and highly mineralised warm water that comes out of St. Peter's spring at a pleasant 30° Celsius makes the time you spend in the Therme a deeply relaxing experience.

## ESPA treatment

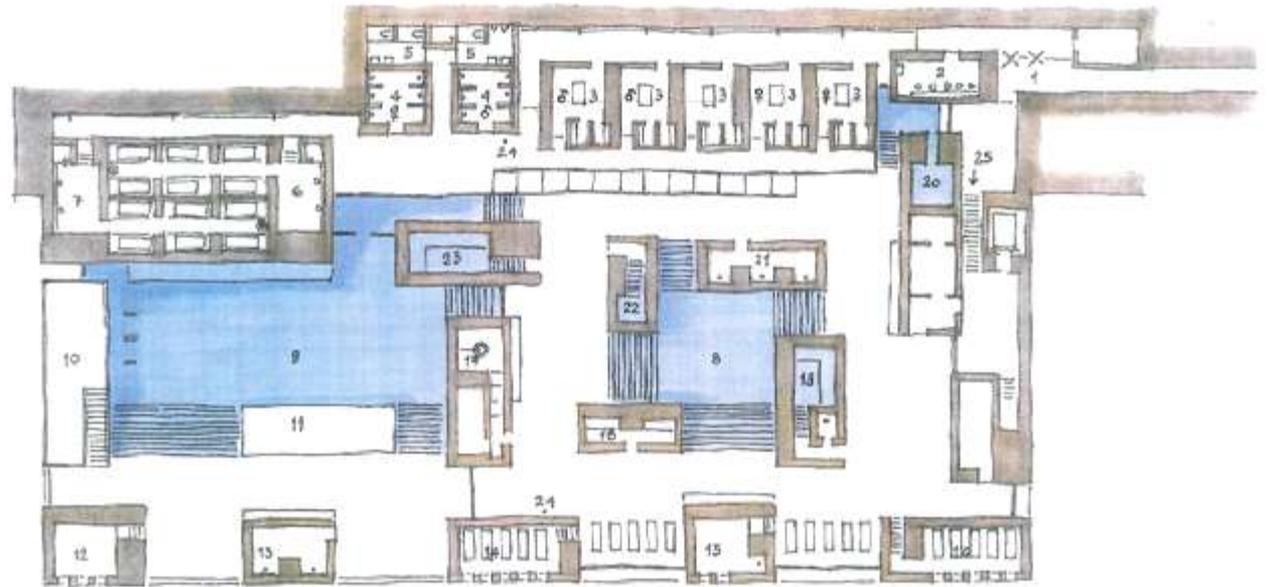

Our spa offers a range of treatments and ESPA products. The strength and therapeutic effect of the products lies in their natural ingredients. Essential oils and stimulating marine extracts ensure pleasurable experiences and visible results.
