## ROOMS

# Authentic luxury.

The 56 rooms and suites all reflect how authenticity meets Swiss luxury. Throughout, the region's heritage inspires the detail and careful craftsmanship. Classically carved ceilings and timber-clad walls create a cosy feel along with leather headboards, Swiss farmhouse-style cupboards and chests. Decorative accessories recall the traditional leather straps used to hold cowbells, an iconic image for Saanenland. Yet the result is also fresh and modern, delivering an original Alpine chic aesthetic.
